

Phonemic Blending Screen

Student's Name _____ Date _____

Students Age _____

Examiner _____

Directions: *I'd like to play a sound game with you. I will say a word in parts and I want you to put the sounds together and tell me the word. For example, if I say "/h/, /a/, /m/", you say "ham". Let's try a few practice words. (Administrator, be sure to use sounds instead of letter names and try not to add the schwa sound as you produce the consonants.)*

Practice Items: (Assist the child in blending these items as necessary.)

"/k/ /i/ /t/" "/s/ /o/" "/f/ /l/ /a/ /t/"

Test Items: (Circle those items that the student correctly blends. Incorrect responses may be recorder on the blank line following the item.)
